Services:

DOL-OWCP doctors, federal workers compensation clinic

Description:

At Millennium Rehabilitation Physical Therapy, our mission is to support federal employees in their recovery from work-related injuries by providing high-quality, personalized care. We understand the unique challenges of the Federal Workers' Compensation system and are committed to guiding our patients through every step of the process—from the initial filing to claim acceptance and throughout the entire life of the claim. Our goal is to enable patients to focus on safe recovery and regain their quality of life with minimal disruption.
